

H&S TRAINING COURSE Wednesday 28th April 2010

Health & Safety – An Introduction

This course is based on the New **Level 2 Course in Health & Safety** accredited by the Chartered Institute of Environmental Health – CIEH

Employers are responsible for providing safe and healthy workplace conditions and the right systems and methods for safe activities. But employees also have a vital part to play in the equation. They need the right knowledge and the right attitude which demands proper training in the basics of health and safety, as well as specific training for individual tasks.

The main topics covered include:

1. Relevant legislation
2. Health, Safety and Welfare
3. The workplace and workplace equipment
4. Risk assessment (interactive session)
5. Accident causation and accident investigation
6. Manual handling
7. Hazardous substances
8. Ergonomics and workplace design
9. Transport and vehicles
10. Noise and vibration
11. Other issues, as raised on the day

ONLY £160

Including Lunch
& refreshments

To be held at:
**19 The Office Village
North Road
Loughborough
LE11 1QJ**

THIS IS A ONE DAY COURSE. Full course details including directions will be supplied upon receipt of booking.
